Basics to Setting Your Financial Goals: Money management skills are important for everyone. This workshop emphasizes a basic approach to spending, saving, and planning and will help you to help yourself achieve financial stability.

BITS: Basic Computer Skills: Presented by Terry Shreve. Learn essential computer skills like: using the mouse & keyboard, creating documents, managing files, using the internet, and exploring social media. Workshops are designed as instructor-led introductions to BITS and include guided instruction to get started in BITS.

Interviewing: Presented by Terry Shreve. Learn the basics of effective interviewing for employment. Discover the importance of preparing for the interview, providing a descriptive and appealing representation of what you have to offer in an interview, and appropriate follow up to the interview.

Meet with Career Counselor for Assessments and/or Career Development: Meet with Myron Daubert to explore and discuss career paths and training possibilities.

Networking: Presented by Terry Shreve. In this workshop you will develop a draft elevator speech and be provided ideas of places and people to network your new speech with.

Résumé Workshop: Presented by Terry Shreve. For those with little or no resume writing experience. Learn the importance of resumes. Understand the parts that make up the resume. Distinguish between and choose the appropriate resume type for you and begin to develop your resume.

Veterans Employment Representative: This is a time when you can meet individually with Veteran Representative Michael Xiong and discuss job search possibilities.

WIOA Informational Meeting: Meet with your local Career Planner to learn about the Workforce Innovation and Opportunity Act (WIOA) program and how it might help you
