

W-2 Employment Ladder

If you pass non-financial and financial eligibility for W-2, you will be placed on the **HIGHEST** rung possible, based upon your level of Employability (i.e. your ability to get and keep a job). The goal of W-2 is to help you move **up** the ladder to secure employment that will lead to long-term self-sufficiency. Activities in W-2 focus on employment evaluation, training, placement, and retention.

Characteristics for W-2 Placement

The primary goal of the W-2 program is for you to gain and keep a job. Most placements in the W-2 program are directly tied to your current *ability* to gain and keep a job. Based upon your situation, skills, resources, barriers and eligibility, you will be offered a specific placement in W-2. The following is a brief description of the most common Placements in the W-2 program.

Case Management for Job Ready Individuals (CMJ non-cash payment placement)

- You are not employed but are job ready based upon your employment history or education;
- You do not have any barriers to full-time employment that cannot be addressed through W-2 support services
- You are ready for immediate employment within the next 30 days
